* Forward ADTs (demographic/encounter data) to other HIEs in PCDH based on patient's zip code. IHDE receives ADTs from other HIEs if a patient is from Idaho. UHIN is the HUB for the PCDH Western Region. Separate from PCDH UHIN sends LAB/RAD/TRN from their connected facilities to IHDE if patient has an Idaho address. IHDE sends LAB/RAD TRN from Idaho connected facilities to UHIN if patient with UT address

** Ada County Paramedics sends reports for transports to ED, as well as, reports for calls that do not result in transport to the ED.
